CSU will use the Qualtrics survey tool to deliver the fall 2018 student course survey online via Canvas. The survey contains the same survey questions that have been used for the past few years.

On November 26, 2018 the Course Survey item will automatically appear on your left Canvas course menu. The survey will remain open until December 14, 2018.

**Please Note:** Course Surveys in Fully Online Courses may have an older, pre-existing survey link in a course module. This old link leads to a previous course survey delivery mechanism that is no longer functional. Students should use the Course Survey link on the left course menu.

When students click on the Course Survey link, they will see a list of all of their courses and instructors for that semester.

**What a Student Sees:**

In a Canvas course, when a student clicks on the Course Survey link, they will see a list of all of their courses / instructors and a survey for each.
Student *clicks Complete Course Survey* to start a survey for a course/instructor.

**Multiple Instructors For a Course Section:**
Students will be prompted if they would like to fill out a survey for each instructor.

Q0.
Would you like to provide feedback on this course (Descriptive Physics Laboratory) as it relates to your course taught by **Cam Ram**

- [ ] Yes
- [ ] No

The student will select a rating for each question.
The last question will allow students to type in comments.

Q1. Welcome to the CSU Course Survey and thank you for taking the time to complete the survey.

When the student finishes the survey they will see:

We thank you for your time spent taking this survey. Your response has been recorded.
